

VBS: Finally Over or A Week For Eternity?

The faint smell of hay still lingers in the sanctuary as the Conestoga Wagon is being driven off to Ball Ground for use in their Saddle Ridge Ranch. The dust of our week of Vacation Bible School is settling and life (the summer version) goes on for the 175 children and 40+ youth and 40+ adult workers that participated. What happened during that whirlwind of a week that took so much energy in preparation and execution and then went by so fast? The following verses of Scripture come to my mind as I reflect on the week the Lord gave us:

The Children

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14 NIV

The Middle School and High School Youth Volunteers

In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven. Matthew 5:16 NIV

The Adult Workers

Do everything without complaining or arguing, so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe as you hold out the word of life--in order that I may boast on the day of Christ that I did not run or labor for nothing. Philippians 2:14-16 NIV

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Galatians 6:10 NIV

The Children that Received Christ

"I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it." And he took the children in his arms, put his hands on them and blessed them. Mark 10:15-16.

The Children that Led a Friend to Christ

The first thing Andrew did was to find his brother Simon and tell him, "We have found the Messiah" (that is, the Christ). And he brought him to Jesus. John 1:41-42 NIV

Upon my limited observations and reflections, all indications point to "a week for eternity." Let's continue in prayer that the fruit born last week will last forever.
