Midway Messenger

Earlier this year many of us at Midway Community Church identified at least one person that we know who has not yet received Jesus. We are praying for those individuals and families and asking God for opportunities to share the good news of Jesus with them. ¹

Evangelist Tony Nolan recently told the story of how someone was praying for him to come to know Jesus when he was the most unlikely person to become a Christian imaginable. This unlikely candidate for conversion has shared his good news story of forgiveness in Jesus with thousands of people - last week he closed the Southern Baptist Convention in Orlando with his message: From Sinking Ship to His Workmanship.

We are joining over 20 other churches in our area in bringing Tony Nolan to the Cumming Fairgrounds on Sunday, September 12th to share the good news in his inspiring way with those for whom we are praying. Let's start praying that our friends will come with us to hear him/Him that night.

Or maybe your friend would come with you to our 4th of July service under the trees (some people will do anything for a "free" Krispy Kreme!).

You get the idea - Disciple2010!

Your Pastor, Dean
