Midway Messenger

Not guilty of any charge! Not guilty? You've got to be kidding me! If not her, then who? It had to be her, didn't it? How horrible for that cute little girl to have suffered such horrors and her abusive, partying mother gets off scot-free. It's an outrage - a terrible miscarriage of justice!

"Not guilty!" "Not guilty!" kept ringing in my ears or running through my mind - then I remembered the "OJ" verdict and my initial outrage at that time and how over time I saw that he didn't really get

away with anything. Justice isn't always served in our system, but it is always served.

"Not guilty!" "Not guilty!" As it continued to rattle around in my brain - it hit me - it's my sentence. When Satan accuses me, Jesus defends me and the Father issues the verdict. In Christ I am not guilty. Who am I to be outraged at a verdict issued by a jury I didn't serve on in a courtroom in which I was not present? My concern should be for her eternal acquittal which would enable her to live for the glory of her Maker. And not only hers!

My dear children, I write this to you so that you will not sin. But if anybody does sin, we have an advocate with the Father—Jesus Christ, the Righteous One.
